TRANSFORM GARDENS WITH STYLISH, LOW-MAINTENANCE COMPOSITE FENCING

Composite fencing is quick and easy

The unique finish of composite fencing will add beauty and complement a gardens' natural surroundings. These incredibly light fencing panels are incredibly strong, making general handling and transportation easy.

20-year guarantee

All composite fencing products come with a 20-year manufacturing guarantee against rotting. Variations in colour, shade or pigment are NOT covered under our guarantee. These variations in no way affect the longevity of the product. (For further information on the product guarantee, please review the full composite fencing terms and conditions). For more information, call 0800 988 7307 or visit deeplas.co.uk

Old timber panels

Composite fencing will work out much cheaper over time compared to timber panels, which would need to be maintained every couple of years.

New composite fencing

Although composite fencing does not require any maintenance to preserve the life span of the fence, it will weather over time and blend into the surrounding area as a timber fence does.
